Day 4

Morning hike from Ghorepani to Poonhill and then trek to Tadapani (2630m)

- Altitude – 2630 meters
- Special – Poonhill sunrise and mountains
- Time – 8 hours
- Activity – Trekking to Poon hill and later Tadapani

Most of the people go for sunrise at Poonhill but few also hike up the Poonhill for sunset. We leave early in the morning for sunrise at Poonhill, sun rises right behind the towering mountains; more close to Mt. Fishtail (the sacred mountain). Do not forget to keep little bit of cash with you as there is a tea shop at the top of Poonhill where we can take a sip of hot chocolate while staring at the sun to come out. After sunrise, we will trek down to Ghorepani village for breakfast. It takes less than 1 hour to get back to the village whereas climbing up from Ghorepani to Poonhill might take 2 hours. After breakfast we trek to Tadapani today. Today's walk has numerous Ups and Downs but today's jungle walk will soak us in nature.

Day 5

From Tadapani to Chhomrong (2600m)

- Altitude – 2600 meters
- Special – Chhomrong Village
- Time – 6 hours
- Activity – Trekking through local villages

Tadapani is a small village with great view of Annapurna South, Fishtail and few other mountains whereas Chhomrong is a biggest village of the Annapurna base camp heli trek. It takes approx. 6 hours to get there; the walk is more downhill and less up. Today we will pass by the local school and few villages with cool landscape. Say "Namaste" to the locals, joining two hands and touching forehead with both your thumbs.

Day 6

Chhomrong to Himalaya (3100m)

- Altitude – 3100 meters
- Special – Himalaya village
- Time – 7 hours
- Activity – Trekking through bamboo forest

Roughly 7 hours of walking from Chhomrong takes us to Himalaya. Himalaya is a really small place with very few teahouses in the side of rivers. This place being right at the middle of the jungle makes you feel being soaked in nature.
